- If 50 students get 50 people to register as an organ donor, ask your principal or teacher to wear green man suits and do a dance at the assembly!

Fun Ideas (be creative!)

- Students and teachers wear green socks/green temporary tattoos/green headband
- Work with BC Transplant to invite a transplant recipient to speak at your school
- People can also take home a registration form or have conversations about organ donation
- Pick 1-2 videos from BC Transplant's YouTube channel to play for your class

WEDNESDAY APRIL 7, 2027

WHAT IS GREEN SHIRT DAY?

Logan Boulet, a 21-year old hockey was one of the 16 people killed in the tragic 2018 Humboldt Broncos bus crash. Logan registered as an organ donor just weeks before the accident and had spoken to his father about his wishes a year before. **Logan was able to save six people's lives through his organ donation.**

As news spread of Logan's selfless act, thousands across the country and world were inspired to register as organ donors. This became known as the **"Logan Boulet Effect"**. To mark the day Logan Boulet became an organ donor, the Boulet family launched Green Shirt Day on April 7.
